

Store your data **safely.** Collaborate with **ease.**

No time for infrastructure management?
Safely store, share and edit your data from any location, with any device.

SHARING FILES

With a powerful web interface and comfortable desktop and mobile clients, your files can be easily shared with others.

GUEST ACCOUNTS

Share your data easily and securely with external persons. Guest users have the full functionality including using the desktop and mobile client.

TEAMS

Easily and quickly create groups of people, instantly sharing your data with multiple people. Teams (Custom Groups) can be customized by each user.

ACTIVITY STREAM & NOTIFICATIONS

Track changes to your files and get notified about new files. The activity stream lists detailed file history, with which you can understand all changes at any time.
