

# IT CONSULTING

FOGO Solutions offers IT consulting services to assess your current setup and fill in the gaps of your business's technology. We work with you to analyze your existing technology and formulate a strategic plan to overcome challenges, achieve business goals and provide a roadmap to take your business to the next level.

## NETWORK SECURITY/CYBERSECURITY

Securing physical networks, evaluating infrastructure and exposure to vulnerability, uncovering inefficiencies, and working with them to design a network architecture that is efficient, fast, secure, and meets business needs at an affordable cost.

Employee Training | Remote Monitoring | Comprehensive Network Protection  
Anti-Malware | Spam Filtering | Password Security | Firewall Management

- ✓ Added stability and security of your data and your business
- ✓ Enforce safe and productive use of company technology
- ✓ Increased network performance
- ✓ Less stress for you!

## IT ASSESSMENTS

We identify your current IT status, uncover any problems that exist and provide recommendations on how to address problems and gain efficiencies. Our analysis will:

- ✓ Assess the design and application of the Information Technology systems and infrastructure
- ✓ Identify the functionality, efficiency, and operational readiness of the IT environment.
- ✓ Provide recommendations to improve overall IT environment performance.

FOGO can help your business with the variety of required security needs such as Gramm-Leach-Bliley, PCI and HIPAA compliance.
